

Heritage Unglazed

Handcrafted by skilled artisans employing old-world techniques, the tiles in the Heritage Collections reflect warm character, charm and dignity. Style and durability make this collection the perfect answer for floors, patios and walls.

Antigua (full range)

Warm, wide range of colors that replicate the look of antique, handmade brick. Installation shown includes optional Earth Products Natural Accents — real leaves pressed into the tile and fired.

Antigua Light

Visually sorted lighter shades of Antigua (full range).

Epro Cotta

An American handcrafted terra cotta with all the same character and charm of aged European cotta.

Red

The traditional, pleasing light to dark ranges of an old-fashioned red brick floor.

...varying tones,
modulating textures
and rich hues,
are your personal
palette...
